

# THE BUDDHISM MUSEUM

ON-LA-OR HOMSETTEE, Department of INTERIOR ARCHITECTURE,  
Montfort del Rosario School of Architecture and Design,  
Assumption University, Bangkok, Thailand

The project is the renovation of “The Buddhism Museum”. The whole atmosphere follows the design concept from the original building, which has strong Thai structure. The overall design manifested as contemporary style with reference to traditional Thai architecture.

Keywords:  
MUSEUM, RELIGION, BUDDHISM
